

**NONDISCRIMINATION AND ANTI-HARASSMENT POLICY****General Prohibitions**

The South Heart Public School District is committed to maintaining a learning and working environment free from discrimination and harassment in all employment and educational programs, activities, and facilities. The District prohibits discrimination and harassment based on a student's, parent's or employee's race, color, religion, sex, gender identity, national origin, ancestry, disability, age, or other status protected by law.

It is violation of this policy for any district student, parent, employee, or third party to discriminate or harass against another district student or employee based on any status protected by law, if the conduct occurred within the context of an education program or activity, or if the conduct has a continuing effect in the educational setting of a program or activity occurring on or off school district property. The District will not tolerate discrimination or harassment of a district student or employee by a third party. The District also prohibits aiding, abetting, inciting, compelling, or coercing discrimination or harassment; discriminating against or harassing any individual affiliated with another who is protected by this policy and/or law; knowingly making a false discrimination and/or harassment report; and retaliation against individuals who report and/or participate in a discrimination and/or harassment investigation, including instances when a complaint is not substantiated.

The District shall promptly investigate any discrimination, harassment, or retaliation complaint and act on findings as appropriate, which may include disciplinary measures such as termination of employment or expulsion in accordance with board policy, law, and, when applicable, the negotiated agreement. Students and employees are expected to fully cooperate in the investigation process. The District will take steps to prevent recurrence of discrimination, harassment, or retaliation and remedy discriminatory effects on the complainant and others, if appropriate.

## **Complaint Filing Procedure**

The Board shall create an informal and formal discrimination and/or harassment complaint filing procedure in board regulations. The procedure provides for an impartial investigation free of conflicts of interest. Nothing in this policy or in the discrimination and harassment grievance procedure prevents an individual from pursuing redress through state and/or federal law.

## **Confidentiality**

An individual wishing to file an anonymous discrimination and/or harassment complaint must be advised that confidentiality may limit the district's ability to fully respond to the complaint and that retaliation is prohibited. The appropriate grievance coordinator (Title IX, 504/Title II, or Nondiscrimination) shall perform a confidentiality analysis to determine when a request for confidentiality cannot be honored due to safety reasons or the district's obligation to maintain a nondiscriminatory educational environment. The complainant must be notified in writing of the confidentiality analysis outcome. A discrimination or harassment investigation report is subject to the open records law after 60 days or when the investigation is complete (whichever comes first), with limited exceptions such as when the record is protected by FERPA.

## **Complaint Recipients**

If any District employee receives a discrimination or harassment complaint, the employee shall forward it to the appropriate grievance coordinator. All District employees must receive training on their reporting duties.

## **Policy Training and Dissemination**

The Board authorizes the Superintendent to develop discrimination and harassment awareness training for students and employees. In addition, the Superintendent shall display this policy and complementary grievance procedures in a prominent place in each district building and publish it in student and employee handbooks.

## **Grievance Coordinators**

The Title IX Coordinator's responsibilities include overseeing the District's response to Title IX reports and complaints and identifying and addressing any patterns or systemic problems revealed by such reports and complaints. The Title IX Coordinator must have knowledge of the requirements of Title IX, of the District's policies and procedures on sex discrimination, and of all complaints raising Title IX issues throughout the District. To accomplish this, the Title IX Coordinator must be informed of any report or complaint raising Title IX issues, even if the report or complaint was initially filed with another individual or office or if the investigation will be conducted by another individual or office. The Board designates the Superintendent as the Title IX Coordinator.

The 504/Title II Coordinator's responsibilities include overseeing the District's response to disability discrimination reports and complaints. The 504/Title II Coordinator must have knowledge of the requirements of Section 504 and Title II, of the District's policies and procedures on disability discrimination, and of all complaints raising Section 504/Title II issues throughout the District. To accomplish this, the 504/Title II Coordinator must be informed of any report or complaint raising Section 504/Title II issues, even if the report or complaint was initially filed with another individual or office or if the investigation will be conducted

by another individual or office. The Board designates the Superintendent, as the 504/Title II Coordinator.

The Nondiscrimination Coordinator's core responsibilities include overseeing the District's response to discrimination and harassment reports and complaints that do not include sex or disability, but instead the other protected statuses.
